

Community
Health Centre

Mission:

To provide quality health and social services that nurture the growth and well-being of our diverse community.

Vision:

An inclusive, healthy, and thriving community for all.

Clientele:

Individuals and families of our diverse community who require health and social services.

Values:

INCLUSION

Create safe and equitable community-centred approaches that celebrate diversity.

COLLABORATION

Promote the sharing of ideas, resources, and best practices through continuous engagement with our partners, our community, and staff.

RESPECT

Foster an empathetic and caring environment that promotes well-being and allows individuals to feel heard, recognized, welcomed, and empowered.

EXCELLENCE

Deliver responsive, high-quality, person-centred programming focused on continuous learning, innovation, and expertise.

Strategic directions:

1

Our capacity

- With strong financial and human capacity, Carlington CHC has a high-performing team dedicated to the well-being of its community.

2

Our influence

- Carlington CHC is a leader in the community health and social service sectors whose advocacy has a positive impact for individuals.

3

Our impact

- Proactive and responsive, Carlington CHC embraces collaboration to enhance the health and social well-being of the individuals and community it serves.
